

INDUSTRIAL MAINTENANCE MECHANIC TRAINING PROGRAM

Curriculum Outlines for the following Amatrol Learning Systems:

<i>Description</i>	<i>Curriculum Hours</i>
Centrifugal Pump Learning System	20
Diaphragm Pump Learning System	4
Piston Pump Learning System	4
Centrifugal Pump Learning System	4
Machine Tools 1 Learning System	36
Welding Technology Learning System	24
Mechanical Drives 1 Learning System - Full Bench	24
Mechanical Drives 2 Learning System	28
Mechanical Drives 3 Learning System	28
Mechanical Drives 4 Learning System	16
Floor-Standing Belt Conveyor Learning System	4
AC/ DC Electrical Learning System	24
Basic Pneumatics Learning System - Single Surface	16
Print Reading 1 Learning System	16
Fasteners Learning System	8
Rigging 1 Learning	20
Rigging 2 Learning System	18
Production Assembly Learning System	32
Gaskets Learning System	4
Safety	14
